Hi Fran and Missy,

Happy Holidays! I just wanted to let you know a few updates for the holidays. I am out of the office starting today.

CD4 is paying for a team of extra DOT officers from Dec 25 - Jan 3rd. Park Rangers patrols will be increased in the area today and there will be a Ranger stationed from 12-5 every day starting Dec 25. LAPD Watch Commander is going to ensure that patrol car spends a significant amount of time in the area enforcing no smoking and traffic violations. LAFD is going to commit the same amount of resources as it did last year (fyi, for Thursday and Friday the burning index will actually be very low).

There will be a public meeting for the Griffith Park Action Plan scheduled for the evening of January 11th, and the MND will be released in early January. More details to come!

In case of emergency your CD4 contact will be Daniel Park, daniel.park@lacity.org for Dec 24th and Dec 25th, and then Adam Miller adam.miller@lacity.org for the remainder of the holiday period through Jan 3rd.

Other resources and points of contact (in case you don't have already):

DOT call center **24hours** (213) 485-4184
Rec & Parks Ranger Dispatch 213-644-6661 - ask for the watch commander
LAPD Senior Lead Officer Tracye Fields 33844@lapd.lacity.org
LAPD Non-emergency line **24 hours** 1-877-ADK-LAPD
LAFD Deputy Chief Joe Castro joseph.castro@lacity.org

Thank you and have a happy holidays,
Catherine

If we get used to this level of service, maybe we can meet the standards set by the City Council members in the early 90's.

Merry holidays to all of you.

Catherine, Thanks for the update. Any and all help is appreciated. Traffic and hikers have been very heavy today. DOT was here to have the cars towed that were blocking the fire hydrant. Don't know why they insist on parking there but they do it all the time. Our best wishes to you and yours this Holiday Season! Try not to think about us for a couple of days as 2016 is shaping up to be one heck of a ride and will need all your expertise and patience. Jim

Catherine,

Thanks so much for keeping an eye out for us. I saw a patrol vehicle and a couple of officers stationed at the 5-points intersection and stopped to chat with them for a few minutes. They said that they'd been assigned to the Hollywoodland area for the whole day and that they'd be spending time at the canyon's various hotspots. We're grateful for all the extra attention. Los Angeles needs more civil servants like you...you guys are local government at its best.

I hope you have a great holiday break (and a restful one) and a Happy New Year,

Chip
